Dear ,

Attached is a list of mental health providers in your county. This list is only provided to you for your convenience. This Office does not make mental health referrals; you may see any therapist that you wish.

If you do have insurance that covers mental health, you must submit the expenses to your insurance for consideration. If you do not have insurance, and you are in need of pre-approval before the therapist will treat you, you may request pre-approval from this Office.

Once you have made an appointment for counseling, please notify us of the name and address of the mental health provider. If you have any questions, you may contact the Office at (973) 648-2107.
